

MAY 3RD CELEBRATION IN THE GOLDEN GATE PARK

Dear Friends,

Every year there are anniversaries of important events from Poland and Polonia's history that mandate and call upon us to share the occasion's history and significance with American society.

Specifically, nothing beats the splendor, blaze of glory and the gravity of our May 3rd Constitution Celebration.

Besides patriotic importance, this event is also enhanced by the beauty and charm of its surroundings - the Music Concourse in Golden Gate Park, a lovely stage for such a celebration. Nevertheless, this important celebration would be a failure if not for the support from all of you!

Magnificent Polish classical music performed by the Golden Gate Park Band, the enchantment of Polish songs and dances presented by Lowiczanie, and performances by children from Polish schools, would all be for naught without your attendance.

Afterwards, it will be a delight to enjoy everyone's company in the neighboring café. And best of all, the treat is on us!

The celebration starts at **1 P.M. on Sunday, May 4th,
the Music Concourse in Golden Gate Park.**

Be sure to put the date in your calendar!
